 Att: Judge Deborah A. Batts

Re: On the Move, Inc. v. Trucknology, Inc.  
 Index No.: 08-CIV-2533 DAB

Dear Judge Batts,

I am writing you with respect to the above-referenced matter, in which this firm represents the defendants, Trucknology, Inc. and Eugene Greenbaum.

A motion was made by the plaintiff to compel and for contempt, which we received on the eve of my vacation, June 30, 2008.

I have contacted my adversary, Rosemary Halligan, from Stern, Tannenbaum & Bell, LLP and she has been kind enough to consent to the following briefing schedule: the defendant will submit an Affidavit in Opposition on or before July 22, 2008 and the plaintiff will have their opportunity to reply on or before August 8, 2008.

Please advise if this briefing schedule as presented above is acceptable to Your Honor.

Thank you for your consideration in this matter.

Very truly yours,

Michael Cirrito
